Notes: CHS CONTESTANT-HEEL. Memphis is real pretty with a ton of eye appeal. He has been used for a variety of ranch work including gathering big country, dragging calves, and sorting. Along with ranch work, he is currently being hauled to jackpots-heeling and has been started in breakaway. Very broke and has a HUGE stop. Memphis still has a couple of years of eligibility for the futurities with a lot of potential for team roping and calf roping alike. Don't miss out on this hard to find own son of Not Ruf At All.

Notes: Looking for your next show pony/trail pony? Look no further-meet Slow Mo. Mo is 13 hands, he is the perfect size for kiddos to ride/big enough for the wife to trail ride. Healthy, current on all vacc/worming/wearing new shoes. He's a young 15 year old/beautiful. Dark bay with gorgeous long mane/tail. He'll stand tied quietly to clean his feet/saddle. Rides one handed in mild bit, knows both leads and excels in obstacle trail classes. He's been around cattle-never been roped on. Spent 3 years working-lead line pony at a handicap riding school in AZ before I bought him. Super gentle, I never need to lounge him, he'll go where you point him, alone or with other horses. Don't miss out on this guy. He's a rare find.

We have drug calves to the fire, sorted yearlings/cows and he's been my #1 horse to doctor wheat cattle on. He will stay collected, has a big stop. There isn't a job that he can't do. Can go in many directions, showpen or keep using him at the ranch or take him on a trail ride. Stays gentle, no buck. Come take a look. FMI 325-721-6801.

Big and stout like a head horse should be, has lots of run and a sharp move in the corner. With his size, he can really handle cattle. Been hauled to many jackpots and World Series ropings. The sights do not faze him. He is good to be around and good with other horses. He stands for shoes but he doesn't need them. Fablo is a solid head horse and one you don't want to miss.
